2. IQAC Composition and Activities

2.1 No. of Teachers

2.2 No. of Administrative/Technical staff

2.3 No. of students

2.4 No. of Management representatives

2.5 No. of Alumni

2.6 No. of any other stakeholder

and community representatives

2.7 No. of Employers/ Industrialists

2.8 No. of other External Experts

2.9 Total No. of members

2.10 No. of IQAC meetings held

2.11 No. of meetings with various stakeholders:

Students Alumni Others

2.12 Has IQAC received any funding from UGC during the year? Yes No

If yes, mention the amount

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/ Workshops/Symposia organized by the IQAC

Total Nos. International National State Institution Level

(ii) Themes

NBA Preparation workshop programs for Faculties

2.14 Significant Activities and contributions made by IQAC

1. Outcome based education is followed by the institute under the guidance and surveillance of the IQAC
2. As per the suggestions given by the IQAC to the college management, interviews for approved posts were submitted to University and recruitment procedure is under process.
3. Modifications were made in the academic diary.
4. Review of academic achievements of each department.
5. Initiation of ISO-2015
6. Awareness program was arranged in order create awareness of quality education amongst all faculty members according to NBA guidelines.
7. Newly recruited faculties were deputed to induction program to understand Teaching learning activities with innovative teaching methodologies.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved at the end of year.

Sr. No.	Activity	Number
01.	Expert / Guest Lectures for the Students	08
02.	No. of Co curricular activities	08
03.	No. of Extra-curricular activities	05
04.	No. of Industrial/site Visits	12
05.	No. of publications (UG)	10
06.	No. of Students placed	60
07.	Parent meet	02
08.	Alumni meet	01
09.	No. of ISR activities / outreach programs	4

Sr. No.	Activity	Number
01.	Workshop/STTP/FDP arranged	02
02.	No. of faculty attending Workshop/STTP/FDP	40
03.	No. of faculty members attending the conference	05
04.	No. of publications	05
05.	Revenue through Consultancy and Testing	6,58,384/-
06.	No. of MOU with Industry	00
07.	No. of faculties having professional membership	25(ISTE)

Provide the details of the action taken:

1. Recruitment of faculty were done as per the requirement of the departments.
2. Additional practice sessions for critical subjects were conducted as per requirement of Student. Due to regular lecture monitoring at the departmental level SE, TE and BE teaching learning activities were found to be improved in respective departments.
3. EDP Cell was made to enhance entrepreneur qualities of the students.
4. Number of companies visiting to the institutions for recruitment were increased that lead to the improvement in Placements
5. Department wise number of MOUs tied increased in AY 2016-17.

Part – B

Criterion – I

1. Curricular Aspects

1.1 Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	--	--	--	--
PG	--	--	--	--
UG	04	00	04	00
PG Diploma	--	--	--	--
Advanced Diploma	--	--	--	--
Diploma	--	--	--	--
Certificate	--	00	00	00
Others	--	--	--	--
Total	04	00	04	00

1.2 (i) Flexibility of the Curriculum: **CBCS**/Core/Elective option / Open options (ii) Pattern of programmes:

Pattern	Number of programmes
Semester	04
Trimester	--
Annual	--

1.3 Feedback from stakeholders* Alumni (On all aspects)

	☒	Parents	☒	Employers	☒	Students	☒
Mode of feedback : Online ☒ Manual ☒ Co-operating schools (for PEI) ☐							

*Details available in Annexure-II

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

The Syllabi are updated every five year at Solapur University level. The faculty members of all the departments have active participation in the syllabus revision and updating activities at the University level. Currently CBCS pattern is running for First year engineering, CGPA pattern is running for second year and Third year engg. One faculty member are working as members of the Board of Studies at University,

1. Dr. S. P. Patil Department of Electrical Engineering
2. Dr. S. P. Patil Department of Electrical & Electronics Engineering

1.5 Any new Department/Centre introduced during the year. If yes, give details. : The institute have started Entrepreneurship development cell to provide a platform for interaction with entrepreneurs and Arrange vibrant interaction with organizations promoting the cause of entrepreneurship.

Criterion – II

2. Teaching, Learning and Evaluation

2.1 Total No. of permanent faculty

Total	Asst. Professors	Associate Professors	Professors	Others
08	07	00	01	00

01

2.2 No. of permanent faculty with Ph.D.

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		Total	
R	V	R	V	R	V	R	V	R	V
62	00	00	19	01	05	01	00	64	24

2.4 No. of Adjunct and Visiting faculty and Temporary faculty

18

-

-

2.5 Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended	18	14	26
Presented	48	8	-
Resource Persons	1	12	9

2.6 Innovative processes adopted by the institution in Teaching and Learning:

Details
Implementation of Outcome based methodology learning
Institute has started NBA preparation to proceed for better teaching leaning activities.
Project based learning; experiential learning, and active learning has adopted.
Reinforcement Evening study program for Teaching FE students with Extra study hours
Multimedia (NPTEL) Presentation, Seminars , Guest Lectures ,Industrial visit Mentoring/counseling is done
Newly recruited faculties had trained on lecture preparation, Course file preparation by adopting PO and CO consideration (OBL)

2.7 Total No. of actual teaching days

during this academic year

212

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

photocopy and Revaluation

2.9 No. of faculty members involved in curriculum restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

10

01

10

2.10 Average percentage of attendance of students

85

2.11 Course/Programme wise distribution of pass percentage:

Title of the Programme	Total no. of students appeared	Division			
		Distinction %	I %	II %	Pass %
Mechanical	262	42.34	16.6	2.00	60.95
E&TC	95	45.06	16.57	00	61.63
CSE	105	53	6.66	9.5	69.16
Civil	178	33.14	21.34	10.11	64.59

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

1. Student feedback on Teacher performance is collected twice a semester by IQAC and necessary instructions are given to improve in lagging areas.. To track improvements/suggestion/complains raised during semester in view of smooth conduction of teaching learning activities.
2. Department heads and Central coordinator meetings are arranged twice in a semester to monitor the activities conducted at departmental and central level.
3. As per the directives provided by NAAC peer team online feedback work has started to reduce paper work .Pilot project has induced.

2.13 Initiatives undertaken towards faculty development

Faculty / Staff Development Programmes	Number of faculty benefitted
Refresher courses	01
UGC – Faculty Improvement Programme	00
HRD programmes	00
Orientation programmes	01
Faculty exchange programme	01
Staff training conducted by the university	00
Staff training conducted by other institutions	01
Summer / Winter schools, Workshops, etc.	01
Others	

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled Temporarily
Administrative Staff	11	5	00	00
Technical Staff	5	5	00	00

Administrative staff and technical staff are appointed through Local Selection Committee.

Criteria III

Research, Consultancy & Extension

3.1 Initiatives of the HOD in Sensitizing/Promoting Research Climate in the departments

- Timely availability or release of resources;
- Availability of adequate infrastructure and human resources;
- Financial assistance is given to the faculty towards Conference Registration to attend &/or present papers.
- A faculty member who has obtained admission for Ph. D degree can be considered for grant of 'Study Leave'.
- To promote research culture among the students and faculty members, institute has procured latest equipments, updated the library facilities and subscribed for the research journals & e-journals.
- The students are encouraged and supported financially to participate in different tech-fest, Science fair, Technical paper competitions.
- All the departments of the institute also organize seminars/workshops/different activities to create curiosity among the students as well as to get a chance to meet the distinguished experts from the related area.

3.2 Details regarding major projects

	Completed	Ongoing	Sanctioned	Submitted
Number	--	--	--	0
Outlay in Rs. Lakhs	--	--	--	0

3.3 Details regarding minor projects

	Completed	Ongoing	Sanctioned	Submitted
Number	00	--	00	00

Competitive Exam	1609	221064	5	-	1614	221064

* Library journals are renewed and continued.

4.4 Technology up gradation (overall)

	Total Computers	Computer Labs	Internet	Browsing/ Computer Centres	Office	Departments	Others
Existing	404	14	10 Mbps	01 (CCF)	00 Nos.	06 Nos.	UPS 01,
Added	Nil	00	00 Mbps	00	00	00	Nil
Total	404	14	10 Mbps	01 (CCF)	00 Nos.	06 Nos.	UPS 01,

4.5 Computer, Internet access, training to teachers and students and any other programme for Technology up gradation (Networking, e-Governance etc.)

- 1) Central library has started to use OPAC system for identification and selection of books..
- 2) Workshop on Computer fundamentals with accounting software were provided to account staff.

4.6 Amount spent on maintenance in lakhs:

i) ICT	Rs 00
ii) Campus Infrastructure and facilities	Rs3,15,000/-
iii) Equipments	Rs. 26120
iv) Others	Rs.3,00,395
Total:	Rs.6,41,515/-

Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

The institute's prime focus is on high academic performance, through outcome based learning and evaluation process. IQAC helps to maintain and sustain quality parameters of the institute in every aspect of academics. Learning is made student-centric through series of lectures, seminars, presentations and industrial visits.

In order to promote the institute's vision, the IQAC contributes in the following ways –

1. "Avishkar" a project/poster presentation has organized in institute to promote culture of Innovation. This event is carried out at institute, University, State and national level..
2. Facilities required for the use of ICT are provided by management.
3. Sponsored projects are encouraged by management..
4. Best performing students are getting awards every year..
5. Effective monitoring of academic processes is done. Feedback is conducted once/twice in a semester.
6. As per the result analysis of previous year, strategies are developed at the beginning of semester for improving the result. Targets are provided to faculties by HOD's.
7. Remedial classes are arranged for slow learners
8. Daily study hours for FE students were conducted one on each day followed by test.
9. The quality of teaching is monitored through feedback which is obtained from the students to assure quality in teaching and learning process. The students' academic progress is monitored regularly by a well structured and executed mentorship program.

5.2 Efforts made by the institution for tracking the progression

The institute keeps track of student progression through

Following-1) Annual Alumni Meet: once in a year

3) Social networking platform: use of Facebook for placement activities

4) Use of institute website for grievances and alumni registration

5.3 (a) Total Number of students

(b) No. of students outside the state

(c) No. of international students

No	%
490	72.27

Men

5.6 Details of student counselling and career guidance

Under the student counselling and career guidance cell, various activities are conducted like –

- 1) GATE exam preparation lectures for BE
- 2) Soft Skills trainings through in-house and outsourced agency
- 3) A well known agency for Career guidance to students.
- 4) Expert lectures from both industry as well as academia experts are conducted to guide the students on better career choices.

No. of students benefitted

170

5.7 Details of campus placement

On campus			Off Campus
Number of Organizations Visited	Number of Students Participated	Number of Students Placed	Number of Students Placed
24	170	60	20

5.8 Details of gender sensitization programmes

Various activities year round are conducted under the women empowerment cell and the Anti sexual harassment Cell. Few of the activities are –

- 1) International Women's Day Celebration
- 2) Expert lectures on Women Empowerment
- 3) Various Competitions for gender sensitisation
- 4) The Anti sexual harassment Cell conducts a meeting every semester to address any complaints or the activities to be conducted for gender sensitisation in the campus
- 5) Online grievance redressal mechanism implemented.

5.9 Students Activities

5.9.1 No. of students participated in Sports, Games and other events

State/ University level National level International level

No. of students participated in cultural events

State/ University level National level International level

5.9.2 No. of medals /awards won by students in Sports, Games and other events

Sports: State/ University level National level International level

Cultural: State/ University level National level International level

5.10 Scholarships and Financial Support

	Number of students	Amount
Financial support from institution	500	Rs 60,00,000/-
Financial support from government	275 (DSW S/F)	Rs1,60,87,388/-
	00 (STC/PTC)	00
	262 (EBC)	Rs.92,47,395/-
	01 (Minority)	Rs. 30,000/-
	00 (Physical Handicap)	00
Financial support from other sources	----	-----
Number of students who received International/ National recognitions	-----	-----

5.11 Student organised / initiatives

Fairs : State/ University level National level International level

Exhibition: State/ University level National level International level

5.12 No. of social initiatives undertaken by the students

5.13 Major grievances of students (if any) redressed:

The institute has addressed the following major grievances received from the students -

- 1) Increasing in the study hours timing in library reading hall.
- 2) Provide transportation vehicles on hourly basis.
- 3) Wi-fi Connectivity to be improved and regularised
- 4) Increase in number of buses owned by the trusts as per the request received from the students.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

The vision and Mission of Karmayogi Engineering college are listed below:

❖ **Vision**

To make outstanding academic complex in order to achieve excellence in the field of Engineering and Technology.

❖ **Mission**

- 1) To empower the faculty and aspiring engineering students to explore the world of technology.
- 2) To mould the engineering graduate who will nourish the ever-changing needs of society and industry.
- 3) To promote the collaborative research and consultancy assignments.

6.2 Does the Institution has a management Information System

No, currently the Institution does not have a Management Information System. The academic records like attendance and progress of students is maintained at department level. Student related data, academic performance, internal examination evaluation and monitoring is monitored by IQAC and Dean Academics.

The Director and Dean – Academics have access and suggest the information as and when needed for monitoring as well as for corrective actions, if any.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The Engineering programmes is affiliated to Solapur University. The institute does not have academic autonomy and thus has to abide by the curriculum designed by the respective Board of Studies and academic council of the Affiliating University.

However, the Faculty is encouraged to add value to the existing courses by way of content beyond syllabus, bridge courses for their respective subjects. This applies for every department.

Whenever the syllabus is revised, The discussions are held in the departmental meeting about up gradation of the curriculum and those inputs are given in the workshops arranged by university. During, faculties have attended workshops for change in curriculum.

Recently, the FE curriculum has been revised. CBCS pattern is currently applicable.

Dr. S.P Patil is members of the Board of Studies of Solapur university BOS members in the university for Electrical Engg and Electrical & Electronics Engg.

6.3.2 Teaching and Learning

- 1) The institute's prime focus is concentrated on academic performance, through outcome based learning and evaluation process.
- 2) Learning is made student-centric through series of lectures, seminars, presentations and industrial visits.
- 3) IQAC helps to maintain and sustain quality parameters of the institute in every aspect of academics.
- 4) For the effective teaching-learning, the process defined is as follows:
- 5) Preparation of academic calendar of event and calendar of activities, preparation of course file by individual faculty, preparation of course file (course wise), maintaining the academic diary throughout semester, monthly report of syllabus coverage, monitoring of monthly attendance, result analysis of internal tests (UT-I and II) and prelim exam..
- 6) Facilities required for the use of ICT are provided by management.
- 7) Project exhibition competition for BE students. Prizes are given for best project.
- 8) Effective monitoring of academic processes. .
- 9) As per the result analysis of previous year, strategies are developed at the beginning of semester for improving the result. Also after the final result. Remedial classes are arranged for slow learners.
- 10) Additional study hours for FE students were conducted.
- 11) The quality of teaching is monitored through feedback which is obtained from the students twice in a semester to assure quality in teaching and learning process.

6.3.3 Examination and Evaluation

We conducts Unit Test I and Unit Test II Engineering Faculty

1. Two -internal Tests (UT-I and II) are conducted as per the university question paper pattern. Term work (Internal marks) is based on UT marks.
2. Merit scholarships are given to class wise toppers of each branch.
3. Awareness lecture of new exam (DPDS) and term work software implementation for staff conducted for smoothly conduction of examination..
4. A preliminary exam was conducted for students for preparing them for the final examination. As per the guidelines the scores in the tests were considered for internal assessment of students.
5. Apart from the internal test students were evaluated on the basis of their performance in the field assignments like mini-projects, Industrial visits, Seminars and presentations

6.3.4 Research and Development

1. Study leaves (10 days per semester) are given to faculties for doing PhD.
2. Financial support(50%) is provided by the management for presenting research papers in conferences, seminars etc. As well as duty leaves are given for attending seminars, conferences, STTP's etc.
3. Incentives are given for the publication in referred journal..
4. Establishment of advisory board that can help in the development of R and D cell is in process
5. Preparation of Budget for strengthening departmental R and D (for purchasing of instruments required for R and D) is need to be strengthen.

6.3.5 Library, ICT and physical infrastructure / instrumentation

1. Every year some corpus fund for library is sanctioned by the management according to the increased intake and requirement of additional books, journals and e-journals. All the requirements of digital library are fulfilled by the institute.
2. Library awareness programs are arranged by the library coordinator for faculty/students at regular intervals.

Details of Library resources as on date

	Existing		Newly Added		Total	
	No	Value	No	Value	No	Value
Text Book	10527	3142208	234	100734	10761	3242942
Reference Book	5506	1724448	52	20403	5558	1744851
e- Books	-	-	-	-	-	-
Journals	304	847839	31	72392	335	920231
e- Journals	4(Science Direct, ASTM Digital Library, Springer Mechanical Engg , J –gate)	703221	1(Science Direct)	279964	4	983185
Digital Database	-	-	-	-	-	-
CD& VIDEO	331(NPTEL)	14300	-	-	331	14330
Novels	501	68909	6	500	507	69409
Competitive Exam	1609	221064	5	-	1614	221064

6.3.6 Human Resource Management

The institute does not have a dedicated Human Resource Development Cell. This prime responsibility is currently handled by Principal & Vice principal . The focus is to cater to the training needs of students as well as teaching and non-teaching staff with an objective of instilling a sense of confidence in areas like communication skills, presentation skills, analytical skills, technical skills and soft skills in general so that they could be moulded as all round professionals.

6.3.7 Faculty and Staff recruitment

In the month of February, UGC selection interviews proposal were sent to university for all vacant posts like category posts, associate and professor posts in each program (branch) of the institute and accordingly faculties are recruited.

6.3.8 Industry Interaction / Collaboration

1. Institute has department wise industry interaction (MOUs) through which BE students got projects and placement.
2. Industry interaction has helped in the improvement of curriculum.

6.3.9 Admission of Students

1. Students are admitted to the institute through CAP rounds governed by DTE Mumbai .
2. The seats are allotted and filled by DTE as per the norms (Admissions are diversified)

6.4 Welfare schemes for

Teaching	study leave (for PhD, Post Doctorate), medical leave, marriage leave, staff uniform, Tuition fee concession for one child (in the school), PF, yearly insurance policies,
Non teaching	Staff uniform, medical leave, personal development trainings, Tuition fee concession for one child (in the school), PF, yearly insurance policies,.
Students	Scholarships, medical facility at campus, library books for year wise toppers.

6.5 Total corpus fund generated

----- generated by trust

6.6 Whether annual financial audit has been done

☒

Yes

☐

No

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	University	Yes	IQAC members

6.8 Does the University/ Autonomous College declare results within 30 days? : NA

For UG Programmes Yes ☒ No ☐

For PG Programmes Yes ☐ No ☐ NA

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

Online Question Paper Delivery system

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

NA

6.11 Activities and support from the Alumni Association

1. Involvement of alumni members in IQAC cell.
2. Delivering lecture for existing students regarding current/latest requirements by employer.
3. Feed back is given by alumni student during alumni meet for the improvement in the quality of different processes in the institute which helps in the development of curriculum. Alumni registration is available online on institute website.
4. Alumni supported in the training and placement activity as well.

6.12 Activities and support from the Parent – Teacher Association

1. Parent meet is arranged every year that helps in getting inputs for the growth of the institute.
2. Other way of communication with parents is through progress of the student by letters monthly which include performances their wards after each internal test, attendance and overall rating with some suggestion (If necessary) are also sent etc.

6.13 Development programmes for support staff

1. Computer literacy program.
2. ARC awareness program before admission process start.
3. Admission awareness lecture.

6.14 Initiatives taken by the institution to make the campus eco-friendly

1. Provision for rainwater harvesting for ground water level
2. Provision for carbon neutrality in the campus
3. Wastewater reuse process had been developed
4. Energy conservation methods adopted in campus
5. Green campus. More plantation than earlier
6. Fixed dome type Biogas plant is installed by students as their project

Criterion – VII

Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- i) Environment Consciousness
- ii) A Green Audit of its campus and facilities
- iii) The initiatives taken by the college to make the campus eco friendly
- iv) Energy Conservation:
 - Use of single switch on-off system at the entrance of each room for switching off all the electrical utilities whenever not required.
 - Air-conditioners are not being used in the college even not to Principal Cabin.
 - The infrastructure has been designed to provide natural lighting and good ventilation to classrooms and labs.
 - Printing is minimized and is always taken on both sides of the paper. Unless required to send out of campus. Already one sided utilized papers are being used for regular activities.
 - Desktops have been bought with LCD screen to save on energy.
 - Instructions provided near switches to switch off lights & fans while leaving the room in labs, staff cabin, classroom, Principal cabin, office, library etc.
 - Our class rooms, offices, gymnasium, canteen& hostels are provided with enough ventilation & illumination to cut down energy use at day time.
 - “Save water save life” messages are displayed near drinking water coolers and in the toilets.
- iv) Rainwater harvesting system has been implemented to collect rainfall on terrace and convey it towards storage tank for various utilization Purpose. Here we collected rain fall on Terrance and convey it by means of rain water pipe towards well located in college campus, in order to increase ground water table in the well. The Pout of rainwater collected is directly utilized for gardening purpose. Terrace area is about 60,000 sq.feet and average rainfall is about 400mm, hence, rainfall on terrace area is collected and used for gardening as well as conveyed towards well located in college campus at 600 feet from main building.

- vii) Check dam construction: not available.
- viii) Plantation: Lustrous garden and lawn are maintained with some of flowering plants and trees. A lot of expenditure is incurred to keep the environment green. Sprinklers are provided for watering. Total 10 labors including 2 gardeners, 2 supervisors and 1 Incharge has been employed on contract basis to maintain lawns and greenery.
- ix) Hazardous Waste Management: Institute is in process of registration with Common Hazardous Waste Treatment Storage and Disposal facility. college will observe strict compliance of Rules & Regulations in this regard. Eco-club encourage students on Hazardous Waste Management
- x) E- waste management: There is no hazardous waste material produced in the institute. MOU with E-waste company in Kolhapur.
- xi) IQAC Cell - IQAC Cell have been established for academic year 2015-16.. The cell is headed by faculty members who were working as central coordinators. Under this cell faculty members from each department as a departmental coordinators were working. IQAC cells monitors smooth academic work and maintains proper documentations. The review of each cell have been taken in a IQAC Cell meeting held in twice in a year in presence of Principal, heads of department and central coordinators.
- xii) Student Feedback System: College online feedback system has started to use faculty members assess their performance in the eyes of students on pilot basis. The instructions given by the Management has helped faculty members improve their performance. This has made them more confident and student sensitive.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

- i) Calendar activities: Academic Calendar and its events were prepared at the beginning of the semester by Dean Academics.
- ii) Innovations - Group Email services and Biometric Attendance system which helps to maintain the attendance of the staff.
- iii) Research Activities: More emphasis is given on Research activities and publication of research papers by faculty members and students in different conferences/seminar/journals

- iv) Faculty Seminars: Faculty seminars are conducted in each department. This has promoted a culture of faculty members keeping abreast with the latest technological developments in their field of interest as well as sharing and cross fertilization of ideas.
- v) Encouragement for higher studies: Faculty members are encouraged to pursue higher studies during their tenure of service. Study Leave is also granted to faculty members who are registered for Ph.D.
- vi) Faculty Development Program: Soft skill and technical programs help the student and faculty to develop their communication skills, body language and the ability to converse with others. The staff members develop their knowledge and skills by attending these types of programs. Through these programs they are able to teach current trends to the student and motivate them to undertake the projects for community in social development
- viii) Performance Monitoring: Continuous assessment sheet has been used for practical sessions and regular monitoring and review of performance of teachers based on feedback system and percentage of passes is conducted on a regular basis
- ix) Course File: Faculty members prepared a course file with question bank on each unit .This is based on syllabus provided by the university. Teaching plan, Lesson Plan , Academic diary and notes are also a part of course file.
- x) Remedial Classes: These are conducted for selected difficult subjects for the students of I, II and III year. These classes helped them in improving the passing percentage and strengthen to weak students.
- xi) ICT: It is employed in teaching-learning process.
- xii) E-learning: NPTEL video lectures and content management system are used regularly. E-learning facility is also created to prepare for GATE
- xiii) Entrepreneurship Cell: Workshops are conducted to inculcate Entrepreneurship and leadership skills among students.

7.3. Give two Best Practices of the institution

i) **Karmayogi First Year study Activity (KFYSA)**

KFYSA is an indigenously developed mechanism for ensuring effective implementation of teaching learning process and overall development of the students. It consist of four distinct components out of which first two focus on student development and guidelines for becoming an outstanding student, whereas last two on guiding students about getting excellent academic performance and going one step ahead achieving overall development. Students are required to maintain separate notebook for all subjects. Students are asked to write 5 sentences in English on daily basis and get it checked by concern teacher. Tests are being conducted on daily basis. This year we stated Yoga and Pranayam for first year students. In evening study hours we motivate the student to study followed by test which help for improvement of learning. The main intention to reduce dropout per year.

ii) **Improvement of practical approach in teaching learning activity by using Continuous Assessment Sheet (CAS).**

: The Continue Assessment Sheet (CAS) practice is consisting of analysis of each experiment based on timely submission, understanding, Participation and neatness of the report. There is provision of stating performed date and submission date of each experiment. In CAS you can provide practice session where absent student can perform the pending experiment. This has to verify by the faculty. At the end of semester these CAS are collected and CAS marks are converted out of 15 marks.05 marks are reserved for Unit Test results and 05 are for Prelim exam considering Term-work are out of 25. Hence regular performer will be benefitted..

7.4 Contribution to environmental awareness / protection.

- i) All engineering second year students have environmental studies subject with project every year .
- ii) Faculty participated in national workshops in environmental engineering and studies

7.5 Whether environmental audit was conducted? Yes

☐

No

☒

7.6 Any other relevant information the institution wishes to add. (For example SWOT Analysis)

- i) KEC implements a scheme to distribute books through library to topper students in every year additionally .
- ii) Provision for carbon neutrality in the our campus

Annexure-I: Academic Calendar

Karmayogi Engineering College, Shelve-Pandharpur. Academic Calendar For Academic Year 2016-17(Sem-I)

Academic Schedule:

Dates	Description
27/06/2016	Term start
06/07/2016	Holiday (Ramajan Eid)
08/07/2016	Student Feedback (1 st)
11/07/2016 to 16/07/2016	Local Holiday (Ashadhi wari)
25/07/2016	Unit Test-I start(08-09 AM)
28/07/2016	1 st Syllabus Review (During Dept. Meeting)
30/07/2016	Unit Test-I End
02/08/2016	Unit Test-I Result On Dept Notice Board
08/08/2016	Student Feedback (2 nd)
15/08/2016	Independence Day
17/08/2016	Holiday(Parsi New year)
29/08/2016	Unit Test – II Start(08-09 AM)
01/09/2016	2 nd Syllabus Review (During Dept. Meeting)
03/09/2016	Unit Test – II End
05/09/2016	Holiday(Ganesh Chaturthi)
06/09/2016	Unit Test-II Result On Dept Notice Board
12/09/2016	Holiday(Bakari Eid)
02/10/2016	Holiday(Gandhi Jayanti)
08/10/2016	Term End
10/10/2016	Term End syllabus Review (During Dept. Meeting)
17/10/2016	Preliminary Examination Start
28/10/2016	Preliminary Examination End

Instructions:

- All Students must carry their ID Cards in college premises.
- Every week one assignment per subject will be given(In 13 week Academic plan min 10 Assignments)
- Every student should maintain subject wise separate notebook for assignment.
- All students should submit there assignment book to respective faculty on allocated assignment checking day between 10.00am to 10.10am. (Subject wise assignment checking day will be displayed in the department notice board.)
- Every student should wear uniform on Monday, Tuesday, Thursday, Friday and Faculties on Monday and Thursday.
- Class coordinators must maintain student attendance and progress report must be send to their parents during 01-05th Day of every month.

Practical Plan:(Total 10 Experiment)

1 st week To 5 th week	Introduction to Lab+ Four Experiment
6 th week	Revision
7 th week To 10 th week	Four Experiments
11 th week	Revision
12 th week	Experiment Beyond syllabi/Technology Advancement
13 th week	One Experiment (If required)
14 th week	Submission

Leave:

One Day Leave	Class permission	Coordinator
2 To 3 Days Leave	HOD permission	
More than 3 Days Leave	Principal Sir permission	

- All students should follow all above calendar otherwise you are responsible for your academic loss.

Principal

Karmayogi Engineering College, Shelve-Pandharpur.

Academic Calendar For Academic Year 2016-17(Sem-II)

Academic Schedule:

Date:	Description
02/01/2017	Term start
14/01/2017	Holiday (Makar Sankranti)
26/01/2017	Republic Day
27/01/2017	Student Feedback (1st)
30/01/2017	Unit Test-I start (08-09 AM)
02/02/2017	1st Syllabus Review (During Dept. Meeting)
04/02/2017	Unit Test-I End
06/02/2017	Unit Test-I Result On Dept Notice Board
24/02/2017	Holiday (Mahashivratri)
27/02/2017	Unit Test - II Start (08-09 AM)
02/03/2017	2nd Syllabus Review (During Dept. Meeting)
04/03/2017	Unit Test - II End
06/03/2017	Unit Test-II Result On Dept Notice Board
07/03/2017	Student Feedback (2nd)
13/03/2017	Holiday (Holi 2 nd day)
28/03/2017	Holiday (Gudi Padwa / Ugadi)
04/04/2017	Holiday (Ram Navami)
08/04/2017	Term End
10/04/2017	Term End syllabus Review (During Dept. Meeting)
17/04/2017	Preliminary Examination Start
28/04/2017	Preliminary Examination End
02/05/2017	Prelim exam Result On Dept Notice Board

Instructions:

- 1) All Student must carry their ID Cards in college premises.
- 2) Every week one assignment per subject will be given (In 13 week Academic plan min 10 Assignments)
- 3) Every student should maintain subject wise separate notebook for assignment.
- 4) All students should submit their assignment book to respective faculty on allocated assignment checking day between 10.00am to 10.20am. (Subject wise assignment checking day will be displayed in the department notice board.)
- 5) Every student should wear uniform on Monday, Tuesday, Thursday, Friday and Faculties on Monday and Thursday.
- 6) Class coordinators must maintain student attendance and progress report must be send to their parents during 01-05a Day of every month.

Practical Plan: (Total 10 Experiment)

1 st week To 5 th week	Introduction to Lab+ Four Experiment	Leave
6 th week	Revision	
7 th week To 10 th week	Four Experiments	One Day Leave Class Coordinator permission
11 th week	Revision	2 To 3 Days Leave HOD permission
12 th week	Experiment Beyond syllabi/Technology Advancement	More than 3 Days Leave Principal Sir permission
13 th week	One Experiment (If required)	
14 th week	Submission	

- All students should follow all above calendar otherwise you are responsible for your academic loss.

Karmayogi

Hon. Sudhakarpant Paricharak

O.NO/KEC/NAAC/494A/2017-18

Date: 26.12.2017

To

The Director
National Assessment and Accreditation Council [NAAC]
PO BOX no 1075, Nagarbhavi
Bangalore 560072
Dear Sir,

Sub: Submission of Annual Quality Assurance report (AQAR) 2016-17 in respect of
Karmayogi Engineering College Shelve Pandharpur(KECSP)

Ref: Your office letter dated 05/11/2016 regarding institute accreditation.

Greetings from Karmayogi Engineering College Shelve Pandharpur 413304

Preamble

KECSP has been accredited by National Assessment and Accreditation Council [NAAC] with
CGPA of 2.76 on seven point scale at 'B++' grade valid from 05/11/2016 and up to 04/11/2021

I take this opportunity to once again sincerely thank your good self and all officials of NAAC for
their excellent cooperation and support extended to institution during entire process.

KECSP-IQAC

As per the guidelines laid down by NAAC, an Internal Quality Assurance Cell [IQAC] has been
constituted under chairmanship of Principal, KECSP as post accreditation quality sustenance
measure. Mr A.A Joshi has been nominated as IQAC coordinator.

The Institution has prepared first AQAR as per prescribed guidelines. AQAR report along with
necessary enclosures is submitted herewith for kind information

Kindly acknowledge same and oblige.

With warm regards

Dr S.P Patil
Principal & Chairperson, IQAC
